

Due to limited parking spaces at the school, volunteer parking for Test Drive will be located directly across the street at St. Patrick's Church, 1500 Vine Street.

Please use the sidewalk along Wisconsin Street to walk from St. Patrick's to the school entrance.

There are handicap accessible parking spaces available in the school parking lot.

Volunteers will enter the building through Entrance Door #35, where there will be a check-in table directly inside the doors. Please **do not** use the student entrance.
